The books will be prepared under the able guidance of the well-known author and editor of several books. Format and scheme of all books will be the same as that of this book and each book will be prepared in close consultation with the topmost linguists of the language concerned. We hope, this series will bring together the people of various parts of our country promoting mutual understanding in fostering national unity. We hereby present the book 'Diamond Gujarati Learning And Speaking Course'.

Pramukh Swamiji Maharaj, one of the most inspiring spiritual figures of modern times and the fifth spiritual successor of Bhagwan Swaminarayan, became a friend of the eleventh president of India, Dr A.P.J. Abdul Kalam. Together they created an unparalleled spirituality-science fellowship. In Roohdaar, Dr Kalam and Arun Tiwari map a journey of self-realization reflected in the eyes of Pramukh Swamiji, painting a delightful fusion of spirituality, science and leadership. Through the life of Pramukh Swamiji and the history of the Swaminarayan mission, Dr Kalam traces the great rise of the Indian diaspora across the world. Drawing from the lives of great scientists and creative leaders, the book captures the spiritual essence of all religions and is a tribute to the multi-faith Indian society.

The chronology and astronomy evidence of the Mahabharata text is elegantly analyzed against the background of modern astronomy. The synthesis leads to 5561 BCE as the year of Mahabharata war. The meticulous research of this book decisively falsifies all existing claims for the year of Mahabharata war. A must-read for anyone interested in History of Hindu civilization.

Traces the Islamic healing tradition's interaction with Indian society and politics as these evolved in tandem from 1600 to 1900, and demonstrates how an in-house struggle for hegemony can be as potent as external power in defining medical, social and national modernity. A pioneering work on the social and medical history of Indian Islam.

The book that inspired the major new motion picture Mandela: Long Walk to Freedom. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's anti-apartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. LONG WALK TO FREEDOM is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph.

The Hanuman Chalisa is a Hindu devotional hymn dedicated to Hanuman, praising him as a hero of the Ramayana (an epic Hindu saga in Sanskrit). It is said that anyone who recites the Hanuman Chalisa 100 times (or for 100 days) will invoke Hanuman's divine intervention and be released from troubles and burdens and eventually find Supreme Bliss. Lord Shiva himself affirms this and that anyone who recites the Hanuman Chalisa can achieve greatness.

Masato Kobayashi and Bablu Tirkey's The Kurux Language: Grammar, Texts and Lexicon offers a comprehensive grammar, transcribed and glossed texts, and a dictionary of Kurux, an isolated Dravidian tribal language in Eastern India.
