Challenging and effective, this classic teacher reference is now back in print. Distler's "Teach the Latin, I Pray You" offers concrete advice on how best to teach grammar, morphology, vocabulary, reading comprehension, and efficient review. This book is an exceptional tool for the communication of the necessary skills of Latin. Covering a huge range of teaching techniques, resources, and educational theory, this book provides the material necessary for the development and implementation of highly proficient teaching techniques.

This is a continuing of a long series focusing on professional responsibility and ethics in accounting.
