Help toddlers learn and develop with the Montessori method Some of children's most important social and emotional developments happen during their toddler years. Encourage learning and inspire discovery at home with this toddler activity book based on the Montessori method, a child-centered and scientifically based approach to engaging kids in their own development. From moving to music to creating a suncatcher and playing card games, this wide range of fun activities for toddlers will foster independence and build confidence. Discover a toddler activity book that includes: Purposeful exercises--Each activity focuses on a specific developmental skill and provides clear instructions on how to carry out the activities in the Montessori way. Key learning areas--Exercises are organized into five learning areas based on Montessori principles: motor skills, art, daily or practical life, sensory stimulation, and language. Tips and modifications--Find pointers for using everyday household items to prepare the exercises in this toddler activity book, and learn how to increase or decrease an activity's level of difficulty. Support and encourage children's natural development with The Montessori Toddler Activity Book.
