The term "Being-with" refers to an ontological characteristic of the human being, that it is always already with others of its kind. This assertion is to be understood not as a factual statement about an individual, that he or she is at the moment in spatial proximity to one or more other individuals.

The Agori discovered a powerful liquid, which the Great Beings came to call Energized Protodermis. Its discovery eventually led to a war on their planet, led by the Element Lords. The Great Beings refused to participate in the war, and tried several peaceful and diplomatic methods to halt the fighting.
