NEW YORK TIMES BESTSELLER It ' s time for a black exit. Political activist and
social media star Candace Owens addresses the many ways that Democrat Party

policies hurt, rather than help, the African American community, and why she and many others are turning right. Black Americans have long been shackled to the Democrats. Seeing no viable alternative, they have watched liberal politicians take the black vote for granted without pledging anything in return. In *Blackout*, Owens argues that this automatic allegiance is both illogical and unearned. She contends that the Democrat Party has a long history of racism and exposes the ideals that hinder the black community's ability to rise above poverty, live independent and successful lives, and be an active part of the American Dream. Instead, Owens offers up a different ideology by issuing a challenge: It's time for a major black exodus. From dependency, from victimhood, from miseducation—and the Democrat Party, which perpetuates all three. Owens explains that government assistance is a double-edged sword, that the Left dismisses the faith so important to the black community, that Democrat permissiveness toward abortion disproportionately affects black babies, that the #MeToo movement hurts black men, and much more. Weaving in her personal story, which ushered her from a roach-infested low-income apartment to 1600 Pennsylvania Avenue, she demonstrates how she overcame her setbacks and challenges despite the cultural expectation that she should embrace a victim mentality. Well-researched and intelligently argued, *Blackout* lays bare the myth that all black people should vote Democrat—and shows why turning to the right will leave them happier, more successful, and more self-sufficient.

GOOD MORNING AMERICA BUZZ PICK • The Pulitzer Prize – winning playwright

and co-writer of *In the Heights* tells her lyrical story of coming of age against the backdrop of an ailing Philadelphia barrio, with her sprawling Puerto Rican family as a collective muse. **LONGLISTED FOR THE ANDREW CARNEGIE MEDAL** • “Quiara Alegri a Hudes is in her own league. Her sentences will take your breath away. How lucky we are to have her telling our stories.” —Lin-Manuel Miranda, award-winning creator of *Hamilton* and *In the Heights* Quiara Alegr í a Hudes was the sharp-eyed girl on the stairs while her family danced their defiance in a tight North Philly kitchen. She was awed by her mother and aunts and cousins, but haunted by the unspoken, untold stories of the barrio—even as she tried to find her own voice in the sea of language around her, written and spoken, English and Spanish, bodies and books, Western art and sacred altars. Her family became her private pantheon, a gathering circle of powerful orisha-like women with tragic real-world wounds, and she vowed to tell their stories—but first she ’ d have to get off the stairs and join the dance. She ’ d have to find her language. Weaving together Hudes ’ s love of music with the songs of her family, the lessons of North Philly with those of Yale, this is a multimythic dive into home, memory, and belonging—narrated by an obsessed girl who fought to become an artist so she could capture the world she loved in all its wild and delicate beauty.

The final volume of the trilogy chronicles the Allied victory in Western Europe, from the brutal struggles in Normandy and at the Battle of the Bulge to the freeing of Paris, as experienced by participants from every level of the military.

"We Are the Luckiest is a masterpiece. It's the truest, most generous, honest, and helpful sobriety memoir I've read. It's going to save lives." — Glennon Doyle, #1 New York Times bestselling author of *Love Warrior: A Memoir* What could possibly be "lucky" about addiction? Absolutely nothing, thought Laura McKowen when drinking brought her to her knees. As she puts it, she "kicked and screamed . . . wishing for something — anything — else" to be her issue. The people who got to drink normally, she thought, were so damn lucky. But in the midst of early sobriety, when no longer able to anesthetize her pain and anxiety, she realized that she was actually the lucky one. Lucky to feel her feelings, live honestly, really be with her daughter, change her legacy. She recognized that "those of us who answer the invitation to wake up, whatever our invitation, are really the luckiest of all." Here, in straight-talking chapters filled with personal stories, McKowen addresses issues such as facing facts, the question of AA, and other people 's drinking. Without sugarcoating the struggles of sobriety, she relentlessly emphasizes the many blessings of an honest life, one without secrets and debilitating shame.

Rewriting the "origin stories" of the Anthropocene No geology is neutral, writes Kathryn Yusoff. *Tracing the color line of the Anthropocene, A Billion Black Anthropocenes or None* examines how the grammar of geology is foundational to establishing the extractive economies of subjective life and the earth under colonialism and slavery. Yusoff initiates a transdisciplinary conversation between

The classic thriller about a hostile foreign power infiltrating American politics: “ Brilliant . . . wild and exhilarating. ” —The New Yorker A war hero and the recipient of the Congressional Medal of Honor, Sgt. Raymond Shaw is keeping a deadly secret—even from himself. During his time as a prisoner of war in North Korea, he was brainwashed by his Communist captors and transformed into a deadly weapon—a sleeper assassin, programmed to kill without question or mercy at his captors ’ signal. Now he ’ s been returned to the United States with a covert mission: to kill a candidate running for US president . . . This “ shocking, tense ” and sharply satirical novel has become a modern classic, and was the basis for two film adaptations (San Francisco Chronicle). “ Crammed with suspense. ” —Chicago Tribune “ Condon is wickedly skillful. ” —Time

The former special advisor and press secretary to President Ronald Reagan shares a “sentimental but often revealing...enjoyable walk down Memory Lane” (Kirkus Reviews)—told through the movies he watched with the Reagans every week at Camp David. Over the course of eight years, Mark Weinberg travelled to Camp David with Ronald and Nancy Reagan as they screened movies on Friday and Saturday nights. They watched movies in times of triumph, such as the aftermath of Reagan’s 1984 landslide, and after moments of tragedy, such as the explosion of the Challenger and the shooting of the President and Press Secretary Jim Brady. Weinberg’s unparalleled access offers a rare glimpse of the Reagans—unscripted, relaxed, unburdened by the world, with no cameras in sight. Each chapter discusses a legendary film, what the Reagans thought of it, and provides warm anecdotes and untold stories about his family and the administration. From Reagan’s pranks on the Secret Service to his thoughts on the parallels between Hollywood and Washington, Weinberg paints a full picture of the president The New Yorker once famously dubbed “The Unknowable.” A “meander through a simpler time capturing a different time and a different president” (USA TODAY), *Movie Nights with the Reagans* is a

nostalgic journey through the 1980s and its most iconic films, seen through the eyes of one of Hollywood ' s former stars: one who was simultaneously transforming the Republican Party, the American economy, and the course of the Cold War. “ For those equally enthused about movies and the fortieth president, this book will serve as a welcome change from today ' s political climate ” (Publishers Weekly).
