Start now: Your guide to the new CCNP. By Joe Clarke, Distinguished Customer Experience Engineer, Cisco. In case you missed the news, back in June 2019 we announced our plan to update the entire certification program to meet the needs of the modern learner in today's new networking environment, and that includes the CCNP. As of February 24, the new program launched and is now in effect.

To earn your CCNA certification, you only need to pass one exam - which covers a broad range of fundamentals for IT careers, based on the latest networking technologies. The CCNP is the next level from the CCNA. As with the CCNA, there are no formal prerequisites to enrol on the CCNP certification course and sit for the exams. Learners taking a CCNP
