As far as the town of Serendipity was concerned, six of the seven wonders of the world resided in the state of Georgia. As far as Celia Moon was concerned, she qualified as the seventh. A fierce and creative individual, she is used to raising eyebrows, and has always fought a rebellious battle against fulfilling the expectations of others. Serendipity—a tiny town of old-school conformists—breathed a collective sigh of relief the day that Celia donned a Picasso emblazoned T-shirt, a black lace skirt and

teal velvet combat boots, packed up her art supplies, guitar and a half-written novel, mounted a second-hand motorcycle and disappeared down the interstate. Now Celia has returned to Serendipity, as wild and independent as she ever was, fighting hard to be herself in a place that still wants her to be like everybody else. Fresh from a whirlwind of international travel, Del Carrington is a successful designer who has come to Serendipity to care for her elderly grandfather. Turning her back on a life of high fashion and glamour, she soon discovers that in all her travels, she has never met anyone quite like Celia Moon. Leaving behind a past she wants to forget, Del comes to Serendipity driven by heartbreak and a painful secret. As time passes, she discovers that Celia has done the same. Can their hearts learn to trust one other enough to take a chance on love, and share the secrets that keep them apart? If they can, it will be a wonder.

How do strangers become friends? Ofelia Castillo is searching for a story. While her friends leave their boring Florida town for summer camps and family vacations, she braces for zero excitement. Aster Douglas has one summer to figure out how to be a kid. She's

been homeschooled by her grandfather her whole life, and it's easier for her to make a soufflé than a friend. CCat Garcia is hiding a big secret. She's in need of a new troop after she quits the Floras, her local Scouts, without her mother knowing. When fate and longing bring the girls together, it isn't love at first sight. But they soon bond over a shared mission to get the Floras to ditch an outdated tradition. In their quest for justice, independence, and an unforgettable summer, the girls form their own troop and find something they didn't know they needed: sisterhood.

Certain lines define a movie. Marlene Dietrich in Morocco: "Anyone who has faith in me is a sucker." Too, there are lines that fit actor and character. Mae West in I'm No Angel: "I'm very quick in a slow way." Jane Fonda in California Suite: "Fit? You think I look fit? What an awful shit you are. I look gorgeous." From the classics to the grade-B slasher movies, over 11,000 quotes are arranged by over 900 subjects, like accidents, double entendres, eyes (and other body parts!), ice cream, luggage, parasites, and ugliness. Each quote gives the movie title, production company, year of release, speaker of the line, and, when appropriate, a comment putting the quote in context.
