She is excited about her new life, ready to make new friends... until a hand reaches out of the swirling mists -- the hand of blind child. She is asking for friendship... seeking revenge... whispering her name...

They won't dare.

Innocence dies so easily. Evil lives again . . . and again . . . and again. One hundred years ago in Port Arbello a pretty little girl began to scream. And struggle. And die. No one heard. An evil history is repeating itself. And one strange, terrified child has ended her silence with a scream that began a hundred years ago.
