Inspired by the American ed. of same title.

The classic Marketing Management is an undisputed global best-seller - an encyclopedia of marketing considered by many as the authoritative book on the subject. This third European edition keeps the accessibility, theoretical rigour and managerial relevance - the heart of the book - and adds:

- * A structure designed specifically to fit the way the course is taught in Europe.
- * Fresh European examples which make students feel at home.
- * The inclusion of the work of prominent European academics.
- * A focus on the digital challenges for marketers.
- * An emphasis on the importance of creative thinking and its contribution to marketing practice.
- * New in-depth case studies, each of which integrates one of the major parts in the book.

This textbook covers admirably the wide range of concepts and issues and accurately reflects the fast-moving pace of marketing in the modern world, examining traditional aspects of marketing and blending them with modern and future concepts. A key text for both undergraduate and postgraduate marketing programmes.

This edition of the bestselling marketing management text reflects the recent trends and developments in global marketing. It provides coverage of how the World Wide Web and e-commerce are dramatically altering the marketing landscape.

Since 1969, Philip Kotler's marketing text books have been read as the marketing gospel, as he has provided incisive and valuable advice on how to create, win and dominate

markets. In KOTLER ON MARKETING, he has combined the expertise of his bestselling textbooks and world renowned seminars into this practical all-in-one book, covering everything there is to know about marketing. In a clear, straightforward style, Kotler covers every area of marketing from assessing what customers want and need in order to build brand equity, to creating loyal long-term customers. For business executives everywhere, KOTLER ON MARKETING will become the outstanding work in the field. The secret of Kotler's success is in the readability, clarity, logic and precision of his prose, which derives from his vigorous scientific training in economics, mathematics and the behavioural sciences. Each point and chapter is plotted sequentially to build, block by block, on the strategic foundation and tactical superstructure of the book.

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. For graduate and undergraduate courses in marketing management. A Succinct Guide to 21st Century Marketing Management Framework for Marketing Management is a concise, streamlined version of Kotler and Keller's fifteenth edition of Marketing Management , a comprehensive look at marketing strategy. The book's efficient coverage of current marketing management practices makes for a short yet thorough text that provides the perfect supplement for incorporated simulations, projects, and cases. The Sixth Edition approaches the topic of marketing from a current standpoint, focusing its information and strategy on the realities of 21st century marketing. Individuals, groups, and companies alike can modernize their marketing strategies to comply with 21st century standards by engaging in this succinct yet comprehensive text.
