Seeing Witness: Visuality and the Ethics of Testimony. In Seeing Witness, Jane Blocker challenges the implicit authority of witnessing through the examination of a series of contemporary artworks, all of which make the act of witnessing visible, open to inspection and critique. Going beyond particular traumatic or sensational events, Blocker contemplates the politics of witnessing and argues that the witness represents a morally unique—and even problematic—position of privilege.

The judge in that case, Timothy Batten, ultimately ruled against Powell without deciding whether to exclude the testimony of her "experts." "They want this court to substitute its judgment for the 2.5 million voters who voted for Biden," Batten said in court Monday. "This I'm unwilling to do." This article has been updated.
