best friends since kindergarten. Song Lee always laughs at Harry's jokes, they both love gross things, and they even got married on the playground in second grade. But ever since Miss Mackle let them work together on a project about dragons, Song Lee hasn't spoken to Harry! Will someone wave the white flag soon and end this war over . . . dragons?

Sam Dragon is always up to mischief, and he will not do as he is told. Soon his naughtiness will get him into real trouble,

and he'll need to make his own way in a big, wide, dragon-fearing world. Luckily, he won't be all alone. He will make the unlikeliest of friends, and together they will triumph against the odds. After all, sometimes even a dragon deserves a little bit of happily ever after. A perfect bedtime book, Sam Dragon has something for all ages. There are maidens, knights (well, one knight), bad puns, wolves - even a cheeky squirrel. If you like dragons and you like mischief, and you don't mind a tiny bit of ethical metaphysics, then you'll love this story. In this edition you will find five beautiful illustrations including Sam,

scientist who discovered the bones in the remote North, and determined to save whatever might be left. Creek Morgan is a Native Indian railroad mechanic troubled by nightmares he doesn't understand, while Eva Reed is a grieving young woman whose husband lies comatose in a hospital bed. George Pakuchek is a big-city lawyer working on a case he didn't want, and Neil Dayton is a young man running in terror. In the last moments of a winter night, their lives are changed forever when the freight train carrying the dinosaur bones crashes in an isolated forest. But Creek's elderly great-
