Texas Medical Jurisprudence Exam: A brief study guide ...

NURSING JURISPRUDENCE EXAMINATION (NJE) Effective September of 2008, all applicants for initial licensure in the state of Texas must take and pass the Nursing Jurisprudence Examination (NJE) prior to issuance of a permanent license. (Rule 217.17) The NJE is: based on the Texas Nursing Practice Act (NPA) and the Texas Board of Nursing Rules and

The most efficient, readable, and reasonable option for preparing for the Texas Medical Jurisprudence Examination, a required test for physician licensure in Texas. The goal of this study guide is to hit the sweet spot between concise and terse, between reasonably inclusive and needlessly thorough. This short book is intended to be something that you can read over a few times for a few hours before your test and easily pass for a reasonable price, with enough context to make it informative and professionally meaningful without being a \$200 video course or a 300-page legal treatise. After all, the Texas JP exam isn't Step 1-it's a \$58 pass/fail test!

This study guide is amazing! It is extremely concise and helped me tremendously in preparing for the jurisprudence exam. I solely used this guide in preparing for the exam and passed on my first attempt. I would definitely recommend this to everyone preparing for the jurisprudence exam. Steven Huang MD Neurosurgeon Great study prep! The material is more than adequate and very nicely organized. I love the format of question and answer. I passed the exam on my first attempt. It saved me a lot of studying time. George Varkarakis MD Plastic Surgeon

This guide contains listings for the most popular professions, covering over 13,000 programs in advertising, allied health, business, dentistry, education, health administration, human resources development, law, medicine, nursing, optometry, pharmacy, podiatry, public health, social work, veterinary medicine, and more.

The six volumes of Peterson's Annual Guides to Graduate Study, the only annually updated reference work of its kind, provide wide-ranging information on the graduate and professional programs offered by accredited colleges and universities in the United States and U.S. territories and those in Canada, Mexico, Europe, and Africa that are accredited by U.S. accrediting bodies. Books 2 through 6 are divided into sections that contain one or more directories devoted to individual programs in a particular field. Book 6 contains more than 19,000 programs of study in 147 disciplines of business, education, health, information studies, law, and social work.

Surveys the nine medical licenses as well as fifty nondegree healing modalities--including history, philosophy, basic techniques, and methods--and provides information on career and training opportunities.

"Every NP should own a copy of this book!" - The Nurse Practitioner Journal Written by a nurse practitioner who is also a practicing attorney, Nurse Practitioner's Business Practice and Legal Guide, Second Edition provides the unique point of view of an author who knows what legal and business problems arise on a daily basis. The second edition to this best seller will teach you: --How to write an effective business plan using the most up-to-date information and planning strategies-How to avoid malpractice and other lawsuits-What rights an employed NP has-What to do if rejected for payment-How to effectively negotiate managed care contracts-How to get the highest marks on performance report cards-What must take place for NPs to become primary care providers-What decisions need to be made before starting a practice-How to handle patient flow- And more!Nurse practitioners and NP students who read this book will have a solid foundation of knowledge with which they may continue their practice confidently and effectively, whether it be in developing an employment relationship, undertaking a business venture, giving testimony before the state legislature, composing a letter to an insurance company about an unpaid bill, teaching at a school of nursing, or serving as president of a state or national organization.
