Follow God's process for growth and find hope in life's darkest moments with Bishop T.D. Jakes's uplifting stories and advice from his own faith journey. In this insightful book, #1 New York Times bestselling author T.D. Jakes wrestles with age-old questions: Why do the righteous suffer? Where is God in all the injustice? Bishop Jakes tells crushing personal stories from his own journey -- the painful experience of learning his young teenage daughter was pregnant, the agony of watching his mother succumb to Alzheimer's, and the shock and helplessness he felt when his son had a heart attack. Bishop Jakes wants to show you how God uses difficult, crushing experiences to prepare you for unexpected blessings. If you are faithful through suffering, you will be surprised by God's joy, comforted by His peace, and fulfilled with His purpose. Crushing will inspire you to have hope, even in your most difficult moments. If you trust in God and lean on Him during setbacks, He will lead you through.

In the near future, kitchen appliances question, console, and bewilder their owners. Extraterrestrials leave behind sub-dermal implants and complicated daughters. A second moon settles into orbit around Earth, a moon which challenges those beneath it to see it, to name it, to explore it. And crew members aboard starships turn to fine and pulp art as consolation. The lyric poems in Small Waiting Objects reach back to feminist utopias and onward toward possible futures in which we find ourselves resisting the technologies-and their human implications-that we most desire.

The star of BET's Mind, Body & Soul, and featured guest speaker on Oprah's Lifeclass, Potter's House pastor, T.D. Jakes turns his attention to the topic of relationships, guiding you on the right track to making decisions you will benefit from for the rest of your life. In the vein of Joel Osteen's Become a Better You and Dr. Phil's Life Strategies, the New York Times bestselling Making Great Decisions (formerly titled Before You Do) gives you the psychological and practical tools you need to reflect, discern, and decide the next step toward strong relationships in your life. "Remember," writes T.D. Jakes, "your tomorrow is no better than the decisions you make today." "My promise is that if you read this book, you will be equipped, you will know all you need to know about making foolproof relational decisions," writes T.D. Jakes. Choosing the right partner, at home or at work, is one of the most consequential decisions we'll ever make. How can we be sure that we're choosing wisely? How do we know if we're doing the right thing when we change careers? By breaking our decisions down into their five crucial components: Research: gathering information Roadwork: removing obstacles Rewards: listing choices and visualizing consequences Revelation: narrowing your options and making your selection Rearview: looking back and adjusting as necessary to stay on course Clear-sighted, realistic, and spiritually uplifting, Making Great Decisions is one of those rare books that can change lives.

How often have you cried out for God, Why? Why dont people understand me? Why do I struggle? Why do I have problems? The answer: Because you are anointed! Best-selling author T.D. Jakes writes, I used to have the wrong notion that when you are really anointed, you no longer have problems or rough times. But you show me anybody whose really Holy Ghost, knee-jerking, tongue-talking, casting-out-demons, laying-hands-on-the-sick, miracle-working, world-changing, mind-transforming, mind-boggling, head-straightening anointed, and Ill show you somebody who cried in the middle of the night and suffered all night long, wondering where is God. But, my friend, I have to confess that through it all I have learned to trust in Jesus. Through it all, Ive learned to trust in God.

A latest release by the NAACP Image Award-winning author of Reposition Yourself shares uplifting advice about the virtues of forgiveness, offering strategic and biblically based advice on how to achieve peace and personal fulfillment by letting go of past wrongs.

What people need today when they and society at large are in social and economic distress is great advice and spiritual support that is easy to access. 64 Lessons- informed by two of Bishop Jakes' bestselling titles,

Reposition Yourself and Making Great Decisions- is a ready-reference book of advice to keep readers on course in managing their careers, relationships, health, home and spiritual well-being. The 64 lessons explore ideas like: 1. Good choices begin with research; 2. Quitting can be good, at the right time; 3. Begin before 'need' arises; 4. Regret can be the begging of triumph over adversity. For instance, we've all been told that quitters never win. But, there IS a time to quit, whether it's your job, marriage, church or project. The biggest problem with quitting is the timing. Quitting too soon may mean that you relinquish your dreams. Get comfortable with change. Even after you've repositioned yourself, change is constant. You may need to quit something in order to make room for the next season of your life. Before you quit anything, look within and determine your real motives. Revisit the longings deep in your heart. Get a clear perspective on what you're releasing and what your taking hold of. Examine your prior choices and consider what you've 'quit' in the past. This honest self-examination will prepare you for a new beginning.
