Being a Catholic Hipster is all about an attitude—an attitude grounded in being part of a countercultural community of believers dedicated to something bigger than themselves in a world dominated by self-centeredness. It's about yearning to learn more about the faith by seeking out "Catholic cool"—overlooked saints, forgotten prayers and feast days, and traditional practices long set aside by mainstream believers. The Catholic Hipster podcaster Tommy Tighe will help readers rediscover everything awesome about the Catholic faith. The Catholic Hipster started out in 2014 with a little bit of fun—the Catholic Hipster of the Year contest—on Tighe's blog. But Twitter is where—in all its 140-character glory—that Tighe's "The Catholic Hipster" movement really took root. That's where a group of cool and funky countercultural Catholics gather to swap one-liners, hilarious hipster memes, and all things authentically Catholic. Tighe even met comedienne Jeannie Gaffigan, who wrote the foreword for *The Catholic Hipster Handbook*, on Twitter. She said what drew her to the feed was that Tighe was "an embarrassingly Catholic dude who knew he was embarrassingly Catholic and was not embarrassed by it" and that he was "not preachy or judgey or divisive." Catholic hipsters in a nutshell. Tighe and a group of hipster friends—including Sarah Vabulas, Anna Mitchell, Fr. Kyle Schnippel, and Lisa M. Hendey—explore the beautiful weirdness of the Catholic Church and invite others along for the journey. They share their love for extraordinary saints, offer up obscure prayers, provide short reflections on something quirky and Catholic they've rediscovered, and dare readers to put their faith into action with some cool and challenging practices they can do on their own. Discover what's awesome about: Wearing a scapular Applying *Laudato Si'* at your local farmer's market Hanging with priests, monks, and nuns Learning to see Christ in making beer Praying the Rosary everywhere you go Loving the Latin Mass Making the Liturgy of the Hours a daily part of your routine *The Catholic Hipster Handbook* will help readers realize the only way to go against what's normal and accepted in the culture is to be authentically Catholic.

The Facebook Book, by Harvard alums and early Booksters Atwan and Lushing, follows in the fine satirical tradition of *The Official Preppy Handbook* and *The Hipster Handbook*, full of anecdotes (true and semi-true), tips (useful and useless), and other insights, including chapters on the Ethics and Etiquette of using the 'Book, what your profile really says about you, and a Facebook dictionary (which defines for the uninitiated terms like "frenemey" and "fauxmance"). *The Facebook Book* will appeal not only to undergrads, but also high schoolers (to whom the site was recently opened), savvy parents, and anyone who's tapped into Web 2.0 culture and counterculture.

An illustrated pocket guide to the hip characters populating "cool neighborhoods" across America, modeled on a bird watcher's field guide. Based on the author's popular Tumblr of the same name, *Hipster Animals* will help readers identify such urban wildlife as "city boy BBQ pitmaster," "spazzy puckish crush girl," "pho authenticity police," and "dandy mixologist." The stylized illustrations of each of the 80 "hipster animal" types are hilariously rendered as actual animals in human clothes, and pithy accompanying text details these creatures' identifying characteristics, habitats, diets, and "calls." Including supplementary activities and essays (such as a feature on decoding the signals of different hipster species' mating rituals), this parody reference guide provides a snarky glimpse into the foreign--yet all too familiar--world of the trendsetters among us.

Part of the popular *Show Me Now* series, *How to be Cool* will equip you with the ability to perform dazzling feats of physical prowess, teach you how to amaze and amuse - and even infuriate - your friends, show you dozens of ways to be the life of the party, from performing sexy dance moves to mixing cocktails, and how to dress and move with confidence and style. Throw in some crazy circus stunts and killer pool moves, and you can't fail to impress. Practical, colourful and drawn with wit and humour, this virtually wordless but highly informative book is the perfect stocking filler this Christmas.

Do you have what it takes to become a next-level Catholic hipster? Building on the overwhelming popularity of *The Catholic Hipster Handbook*, Tommy Tighe is back with a new cast of fellow hipsters—including Haley Stewart, Samantha Povlock, Matthew Sewell, Fr. Damian Ferrence, and Patrick Neve—to share overlooked saints, forgotten prayers, and profound practices that define the countercultural Catholic lifestyle, inspiring you to live your faith in radical ways. *The Catholic Hipster Handbook* successfully defined Catholic cool. In *Catholic Hipster: The Next Level*, editor Tommy Tighe and his squad of hipsters delve even deeper into the Church's countercultural 2,000-year history and kick it up a notch by helping you answer the call to act on your beliefs. The book is divided into three parts that challenge you to live the theological virtues of faith, hope, and love. Each contributor introduces a forgotten saint and prayer and provides a suggestion for living the beautiful quiriness of the Catholic faith. Topics include: bringing Catholic Twitter into the real world understanding Catholic feminism exploring third orders as extreme hipster Catholicism making a Flannery O'Connor pilgrimage looking at J. R. R. Tolkien as an early Catholic hipster debating praise and worship music versus traditional organ music Covering the intellectual, practical, and intrinsically hipster, *Catholic Hipster: The Next Level* has something for everyone. Whether you want to be challenged, called to serve, or shown something new about your faith, you'll end up embracing all that's cool about Catholicism and having a more personal relationship with Christ and his Church.

Insider twentysomething Christian journalist Brett McCracken has grown up in the evangelical Christian subculture and observed the recent shift away from the "stained glass and steeples" old guard of traditional Christianity to a more unorthodox, stylized 21st-century church. This change raises a big issue for the church in our postmodern world: the question of cool. The question is whether or not Christianity can be, should be, or is, in fact, cool. This probing book is about an emerging category of Christians McCracken calls "Christian hipsters"--the unlikely fusion of the American obsessions with worldly "cool" and otherworldly religion--an analysis of what they're about, why they exist, and what it all means for

Christianity and the church's relevancy and hipness in today's youth-oriented culture.

A visionary novel from the author of *Super Sad True Love Story* and *Little Failure*. *The Russian Debutante's Handbook* introduces Vladimir Girshkin, one of the most original and unlikely heroes of recent times. The twenty-five-year-old unhappy lover to a fat dungeon mistress, affectionately nicknamed "Little Failure" by his high-achieving mother, Vladimir toils his days away as a lowly clerk at the bureaucratic Emma Lazarus Immigrant Absorption Society. When a wealthy but psychotic old Russian war hero appears, Vladimir embarks on an adventure of unrelenting lunacy that takes us from New York's Lower East Side to the hip frontier wilderness of Prava--the Eastern European Paris of the nineties. With the help of a murderous but fun-loving Russian mafioso, Vladimir infiltrates the Prava expat community and launches a scheme as ridiculous as it is brilliant. Bursting with wit, humor, and rare insight, *The Russian Debutante's Handbook* is both a highly imaginative romp and a serious exploration of what it means to be an immigrant in America.

Fifteen years after founding *Vice*, Gavin McInnes has poured his creative juices into a new endeavor: *StreetCarnage.com*. Growing in size and influence at an alarming rate, the site's main feature is the new and improved version of Gavin's "DOs and DON'Ts," now tantalizingly called *Street Boners*. These Boners have been polished and compounded into a book that takes the best of the site and adds hundreds more gems! With 1,312 photos, hilarious captions, and a harsh new rating system--from one to 10 kitten faces--*STREET BONERS* makes sure no glorious fashion statement goes unnoticed. Innocent citizens are either damned to hell or relentlessly exalted into heaven. Chloe Sevigny, Debbie Harry, Fred Armisen, and Tim & Eric also contribute their scathing wit to the book, and the end result is a New York fashion bible no bathroom should be without.

50 musings on the self-appointed cool kids taking over your towns. Skinny jeans? Check. Thrift-store clothing? Check. Non-essential prescription glasses? Check. Beanie hat balanced artfully on the back of your skull? Check. These items have become the uniform for a new breed of young people--"hipsters"--determined to take over cities with their "alternative" ways while overloading on irony and striving to be original and creative. *So You Think You're a Hipster?* examines what it takes to become one of this ever-growing tribe of young urbanites, just as desperate to be accepted by their peers as they are to receive the next rent check from mom and dad. A series of hilarious case studies will identify typical examples of the subculture, helping you to avoid any future encounters with them. Take the vintage store worker who, at 35, still works selling worn sneakers and threadbare t-shirts for extortionate amounts and still dreams of one day getting his latest album reviewed on Pitchfork. Or the aspiring author who lugs around an old-fashioned typewriter to write down her inspirational musings at a moment's notice. Then there's the bearded urban hunter dressed head to toe in workwear and outdoor gear despite the fact it's the middle of summer. Basically there are nearly as many hipsters featured here as you would find at an LCD Soundsystem concert.
