Detective Isaac Bell tracks a killer across the nation ’ s oilfields in this adventure in the #1 New York Times – bestselling historical series. As Van Dorn private detective Isaac Bell strives to land a government contract to investigate John D. Rockefeller ’ s Standard Oil monopoly, the case takes a deadly turn. A sniper begins murdering opponents of Standard Oil, and soon the assassin—shooting with extraordinary accuracy at seemingly impossible long range—kills Bell ’ s best witness. Then the shooter detonates a terrible explosion that sets the victim ’ s independent refinery ablaze. Bell summons his best detectives to hunt down the mysterious killer. But the murders—shootings, poisonings, staged accidents—have just begun as Bell tracks his phantom-like criminal adversary from the “ oil fever ” regions of Kansas and Texas to Washington, D.C., to the tycoons ’ enclave of New York, to Russia ’ s war-torn Baku oil fields on the Caspian Sea, and back to America for a final, desperate confrontation. And this one will be the most explosive of all.

The latest nerve-shredding adventure thriller in the popular Isaac Bell

series from international bestseller Clive Cussler As Van Dorn private detective Isaac Bell strives to land a government contract to investigate John D. Rockefeller's Standard Oil monopoly, the case takes a deadly turn. A sniper begins murdering opponents of Standard Oil, and soon the assassin-shooting with extraordinary accuracy at seemingly impossible long range-kills Bell's best witness, a brave and likable man. Then the shooter detonates a terrible explosion that sets the victim's independent refinery ablaze. Bell summons his best detectives to scour the site of the crime for evidence. Who is the assassin and for whom did he kill? But the murders-shootings, poisonings, staged accidents-have just begun as Bell tracks his phantom-like criminal adversary from the "oil fever" regions of Kansas and Texas to Washington, D.C., to the tycoons' enclave of New York, to Russia's war-torn Baku oil fields on the Caspian Sea, and back to America for a final, desperate confrontation. And this one will be the most explosive of all. Praise for Clive Cussler: Cussler is hard to beat - Daily Mail The guy I read - Tom Clancy The Adventure King - Sunday Express

After witnessing a terrible coal mining accident, Detective Isaac Bell hunts for the high-level saboteurs he believes are responsible in this new novel from the best-selling co-authors of *The Thief* and *The Spy*. Reprint. 750,000 first printing.

Twentieth century detective Isaac Bell takes on the world of warfare when America's naval research and development experts begin to die one by one in this #1 New York Times-bestselling historical action adventure. 1908 marks a year of ever-escalating international tension as the world plunges toward war. And with America on the brink, it comes as a devastating blow to learn of the apparent suicide of one of the United States' most brilliant battleship-gun designers. The death becomes a media sensation, and the man's grief-stricken daughter turns to the legendary Van Dorn Detective Agency to clear her father's name. Van Dorn puts his chief investigator on the case, and Isaac Bell soon sees that the clues point not to suicide, but to murder.

# File Type PDF The In Isaac Bell 8 Clive Cussler

As Bell notices more suspicious deaths among the nation's sharpest technological minds, he begins to suspect the work of an elusive spy somehow connected to a top-secret project called Hull 44. But that is just the beginning. As the intrigue deepens, Bell will find himself pitted against German, Japanese, and British spies, in a mission that encompasses dreadnought battleships, Teddy Roosevelt's Great White Fleet, Chinatown, Hell's Kitchen, and the Brooklyn Navy Yard. Isaac Bell has certainly faced perilous situations before, but this time it is more than the future of his country that's at stake—it's the fate of the world.

The 1950 discovery of four bodies inside a sunken steam locomotive in a Montana lake gives way to the story of a murderous 1906 bank robber whose ruthlessness challenged Isaac Bell, a talented detective whose struggle to identify and capture the killer had been complicated by the great San Francisco earthquake. 750,000 first printing.

After failing a critical assignment overseas, Will Robie must investigate a murder accusation against his father--but to save him, he'll have to face a violent and deadly fallout in this New York Times bestselling thriller. Will Robie escaped his small Gulf Coast hometown of Cantrell, Mississippi after high school, severing all personal ties, and never looked back. Not until the unimaginable occurs. His father, Dan Robie, has been arrested and charged with murder. Father and son haven't spoken or seen each other since the day Robie left town. In that time, Dan Robie--a local attorney and pillar of the community--has been elected town judge. Despite this, most of Cantrell is aligned against Dan. His guilt is assumed. To make matters worse, Dan has refused to do anything to defend himself. When Robie tries to help, his father responds only with anger and defiance. Could Dan really be guilty? With the equally formidable Jessica Reel at his side, Robie ignores his father's wishes and begins his own desperate investigation into the case. But Robie is now a stranger to his hometown, an outsider, a man who has forsaken his past and his family. His attempts

## File Type PDF The In Isaac Bell 8 Clive Cussler

to save his father are met with distrust and skepticism...and violence. Unlike the missions Robie undertook in the service of his country, where his target was clearly defined, digging into his father's case only reveals more questions. Robie is drawn into the hidden underside of Cantrell, where he must face the unexpected and possibly deadly consequences of the long-ago choices made by father and son. And this time, there may be no escape for either of them.

20th century detective Isaac Bell protects a promising aviator from her jealous husband in this remarkable adventure from #1 New York Times-bestselling author Clive Cussler. It is 1910, the age of flying machines is still in its infancy, and newspaper publisher Preston Whiteway is offering \$50,000 for the first daring aviator to cross America in less than fifty days. He is even sponsoring one of the prime candidates-an intrepid woman named Josephine Frost-and that's where Bell, chief investigator for the Van Dorn Detective Agency, comes in. Frost's violent-tempered husband has just killed her lover and tried to kill her, and he is bound to make another attempt. Bell has tangled with Harry Frost before; he knows that the man has made his millions leading gangs of thieves, murderers, and thugs in every city across the country. He also knows Frost won ' t be after just his wife, but after Whiteway as well. And if Bell takes the case . . . Frost will be after him, too.

When Detective Isaac Bell's mentor is shot, the turn-of-the-century investigator traces the attack from a booze-smuggling operation back to a team of international saboteurs in this #1 New York Times – bestselling series. It is 1920, and both Prohibition and bootlegging are in full swing. When Isaac Bell ' s boss and lifelong friend Joseph Van Dorn is shot and nearly killed while leading the high-speed chase of a rum-running vessel, Bell swears to him that he will hunt down the men responsible. But Bell doesn ' t know what he is getting into. When a witness to Van Dorn ' s shooting is executed in a ruthlessly efficient manner invented by the Russian secret police, it

# File Type PDF The In Isaac Bell 8 Clive Cussler

becomes clear that these are no ordinary criminals. In a trail that leads from the ravages of post-World-War-I Europe to the speakeasies of New York, to the lawless streets of Detroit and Florida ' s lavish beachside resorts, Isaac tracks the footsteps of a enterprise more ingenious and far-reaching than any he has ever known. For this is no mere bootlegging operation, but a powerful international organization with the very downfall of America in its sights . . .

Turn-of-the-century Detective Isaac Bell takes on the upstart leader of a vicious crime organization in this novel in the #1 New York Times – bestselling series. It is 1906, and in New York City, the Italian crime group known as the Black Hand is on a spree: kidnapping, extortion, arson. They like to take the oldest tricks and add dynamite. When a coalition of the Black Hand ' s victims hire out the Van Dorn agency to protect their businesses, their reputations, and their families, Detective Isaac Bell forms a crack squad and begins scouring the city for clues. And then he spots a familiar face. The stakes grow ever-higher, with the Black Hand becoming more ambitious, and their targets more political. If Bell can ' t determine the role played by the face from his past, the next life lost could be one of the most powerful men in the nation.

Detective Isaac Bell travels the early-twentieth-century American railways, driven by a sense of justice and a determination to stop a new mastermind reigning terror on a crucial express line in this #1 New York Times-bestselling series. A year of financial panic and labor unrest, 1907 sees train wrecks, fires, and explosions sabotage the Southern Pacific Railroad ' s Cascades express line. Desperate for help the railroad hires the fabled Van Dorn Detective Agency. Van Dorn ' s best man, Isaac Bell, quickly discovers a mysterious saboteur haunting the hobo jungles of the West. Known only as the Wrecker, he recruits vulnerable accomplices from the down-and-out to attack the railroad, and then kills them afterward. The Wrecker traverses the vast spaces of the American West as if he had wings, striking wherever he

# File Type PDF The In Isaac Bell 8 Clive Cussler

pleases, causing untold damage and loss of human life. Who is he? What does he want? Is he a striker? An anarchist? A revolutionary determined to displace the “ privileged few ” ? A criminal mastermind engineering some as yet unexplained scheme? Whoever he is, whatever his motives, the Wrecker knows how to create maximum havoc, and Bell senses that he is far from done—that, in fact, the Wrecker is building up to a grand act unlike anything he has committed before. If Bell doesn ’ t stop him in time, more than a railroad could be at risk—it could be the future of the entire country.
