Frenetico, difficile al punto giusto e profondissimo, la Modalità Sopravvivenza vi costringerà a reinserire il disco di gioco di Uncharted 4: Fine di un ladro nelle vostre PlayStation 4. Magari nemmeno in questo caso si tratterà di amore a prima vista, un po' come accadde con il multiplayer competitivo, ma il divertimento, soprattutto con gli amici giusti, è assolutamente garantito.

Un post su Twitter dalla pagina ufficiale del film di Uncharted ha rivelato che il nuovo adattamento cinematografico della serie ha, di fatto, concluso le riprese. Il film con Tom Holland nei panni di Nathan Drake ha avuto una produzione tumultuosa fino a questo punto, in cui numerosi registi hanno abbandonato il progetto, ma ora finalmente si vede la fine del tunnel.

Il nuovo gameplay di Uncharted 4: Fine di Un Ladro evolve la saga Uncharted che si prepara ad un epilogo coi fiocchi. Siete pronti per riabbracciare Drake?

It is three years after the events of Uncharted 3 and Nathan Drake, the world's most famous hunter of treasure, has hung up his boots and left that work behind him. However, the sudden appearance of his brother, Samuel Drake, has made that calling for adventure come back in full force, as he needs Nathan's help to save his own life. They are on the hunt for Captain Henry Avery's long-lost treasure, bringing them to many exotic locations wrought with danger, in another exciting entry in the Uncharted franchise. The guide includes: - A complete and detailed walkthrough of the main story. - Locations for all of the game's collectibles. - Comprehensive guide to get every single trophy.

"Journey alongside Nathan Drake once again, as Naughty Dog and Dark Horse Books team up to bring you this comprehensive and breathtaking exploration into Uncharted 4: A Thief's End! Numerous never-before-seen designs and concept art accompanied by commentary from the developers give you behind-the-scenes access to the creation of this gaming masterwork. This beautiful oversized hardcover is a must-have for any fan of the Uncharted

franchise and high quality video game art"--

The official novel of Naughty Dog's award-winning videogame franchise! In the ancient world there was a myth about a king, a treasure, and a hellish labyrinth. Now the doors to that hell are open once again. Nathan Drake, treasure hunter and risk taker, has been called to New York City by the man who taught him everything about the "antiquities acquisition business." Victor Sullivan needs Drake's help. Sully's old friend, a world-famous archaeologist, has just been found murdered in Manhattan. Dodging assassins, Drake, Sully, and the dead man's daughter, Jada Hzujak, race from New York to underground excavations in Egypt and Greece. Their goal: to unravel an ancient myth of alchemy, look for three long-lost labyrinths, and find the astonishing discovery that got Jada's father killed. It appears that a fourth labyrinth was built in another land and another culture—and within it lies a key to unmatched wealth and power. An army of terrifying lost warriors guards this underground maze. So does a monster. And what lies beyond—if Drake can live long enough to reach it—is both a treasure and a poison, a paradise and a hell. Welcome to The Fourth Labyrinth.

Adventure alongside Nathan Drake, as Dark Horse Books and Naughty Dog team up to bring you this breathtaking, comprehensive exploration into the Uncharted saga! Encompassing Drake's Fortune, Among Thieves, and Drake's Deception, this epic volume offers a look at hundreds of never-before-seen designs and pieces of concept art from the creation of one of the most exciting game series of this generation, along with insightful commentary from the games' creators! Don't miss out on this opportunity to own a piece of Uncharted history!

Betrayed by the Red Hood, Damian hunts down Jason Todd and vows vengeance—Nor death! Meanwhile, Djinn and the rest of the Titans battle one of the Other's closest allies—Joy Stick! (Making his DCU debut from the Teen Titans Go! universe.) But when Control Freak learns all of Djinn's most dangerous secrets, Djinn will do anything to keep the Teen Titans from finding out the truth!

David and Leigh Eddings were mythmakers and world builders of the first order. With *The Redemption of Althalus*, the authors of the *Belgariad* and *Malloreon* sagas created a thrilling stand-alone epic—boldly written and brilliantly imagined. It would be sheer folly to try to conceal the true nature of Althalus, for his flaws are the stuff of legend. He is, as all men know, a thief, a liar, an occasional murderer, an outrageous braggart, and a man devoid of even the slightest hint of honor. Yet of all the men in the world, it is Althalus, unrepentant rogue and scoundrel, who will become the champion of humanity in its desperate struggle against the forces of an ancient god determined to return the universe to nothingness. On his way to steal *The Book* from the House at the End of the World, Althalus is confronted by a cat—a cat with eyes like emeralds, the voice of a woman, and the powers of a goddess. She is Dweia, sister to The Gods and a greater thief even than Althalus. She must be: for in no time at all, she has stolen his heart. And more. She has stolen time itself. For when Althalus leaves the House at the End of the World, much wiser but not a day older than when he'd first entered it, thousands of years have gone by. But Dweia is not the only one able to manipulate time. Her evil brother shares the power, and while Dweia has been teaching Althalus the secrets of *The Book*, the ancient God has been using the dark magic of his own *Book* to rewrite history. Yet all is not lost. But only if Althalus, still a thief at heart, can bring together a ragtag group of men, women, and children with no reason to trust him or each other. Praise for *The Redemption of Althalus* "Highly recommended . . . Featuring a cast of engaging characters, some fanciful plot twists, and a light-hearted atmosphere that should appeal strongly to fans and first-time readers alike."—*Library Journal* "The story takes off. The interactions between characters, straightforward plotting, and doses of wry humor keep the tale humming."—*Booklist* "An engaging young reprobate hero . . . [A] magical realm of good-natured fun."—*Publishers Weekly* "A compelling,

involving story.”—Science Fiction Chronicle

"Female protagonists are commonly overlooked in the history of crime; especially in early modern Italy, where women's scope of action is often portrayed as heavily restricted. This book redresses the notion of Italian women's passivity, arguing that women's crimes were far too common to be viewed as an anomaly. Based on over two thousand criminal complaints and investigation dossiers, Sanne Muurling charts the multifaceted impact of gender on patterns of recorded crime in early modern Bologna. While various socioeconomic and legal mechanisms withdrew women from the criminal justice process, the casebooks also reveal that women - as criminal offenders and savvy litigants - had an active hand in keeping the wheels of the court spinning"--

"Crash Bandicoot. Jak and Daxter. Uncharted. The Last of Us. One studio has been responsible for the most iconic video game experiences of this generation. Now, Dark Horse Books invites you on a thirty-year retrospective tour, observing Naughty Dog's ascension to its place as one of the most influential production studios in the world!"--Publisher's website.
