A white paper (whitepaper) is an informational document, usually issued by a company or not-for-profit organization, to promote or highlight the features of a solution, product, or service.

~~White Paper Definition - investopedia.com~~

A white paper is an authoritative report or guide that informs readers concisely about a complex issue and presents the issuing body's philosophy on the matter. It is meant to help readers understand an issue, solve a problem, or make a decision. The initial British term, concerning a type of government-issued document, has proliferated, taking a somewhat new meaning in business. In business, a white paper is closer to a form of marketing presentation, a tool meant to persuade customers and part

~~White paper - Wikipedia~~

A whitepaper is a persuasive, authoritative, in-depth report on a specific topic that presents a problem and provides a solution. Marketers create whitepapers to educate their audience about a particular issue, or explain and promote a particular methodology. They're advanced problem-solving guides.
