None of the 250 race replicas were comfortable, but Yamaha's original 1986 TZR made a passable attempt at practicality. By 1991, we were more interested in performance and comfort didn't matter. Scrunching-up on a TZR250R is a price worth paying because you only ride it for 50 miles at a time before stopping for a rest.

TZR250'S have become extremely rare especially in the condition of this one. This bike is a genuine bargain. We've just imported this terrific example and it's covered the equivalent of only 19869 miles. We've given it a full service and replaced the battery, steering bearings, spark plugs and gearbox oil. Now the bad bit.....All of the necessary documentation has been sent to the DVLA but ...

Presents motorcycle road racing, providing simple explanations surrounding the sport including descriptions of famous races, the culture of racing, and brief career highlights of its legendary stars.

Systematic, illustrated units equip student mechanics and motorcycle owners with knowledge of the skills that are essential for successful motorcycle maintenance and repair

Authors such as Hunter Thompson, Robert Pirsig, and Mark Singer have written about the motorcycle, that icon for outlaws, rebels, thieves, and beat poets. This collection of motorcycle tales features the best of the vast collection of motorcycle writing created since old Gottlieb Daimler first bolted a crude internal-combustion engine to his wooden two-wheeled Einspur in 1876. In addition to essays from Thompson and Pirsig, *The Devil Can Ride* features works by Peter Egan, T.E. Lawrence, James Stevenson, Jamie Elvidge, John Hall, and Kevin Cameron.

How to maintain, modify and set-up every component and correct common flaws.

A guide to Britain's motorcycle history, giving the history and description of various motorbikes and including the experiences of the present-day owners.

" ... features sixty stationery design projects from around the world, analysing how briefs were met through careful use of typography, illustration, materials, format and printing techniques."--Jacket.
